**New Business:**

Laurie wants to discuss plans for the next workshop. Is January a good time and throw out some topics. Connie suggests a workshop on unity. Unity suggestion was agreed, same time and same place. Laurie requests to be permitted to make the flyer, if church says the date is okay. The tentative date: January 8 or 15, 2010. All agreed that this would be good.

Dave B. and Wilton D. shared about Unity and then proceeded to speak about Unity concerning the clubs in town. Alicia, our Area Delegate, was a guest at our meeting and reminded us that Unity is very important. She also reminded us that AA does not have clubs and that AA members need to take ownership. She is glad to see District 11 going strong and keeping up the effort to remain alive and active.

Jayne passed the “hat”.
